REMINDERS:

Please label water bottles. We encourage students to bring extra water bottles as we will not be able to refill water at this time. No gum, food, or drinks other than water will be allowed in the studio. No outdoor/street shoes permitted in the studio.

We asked that all students arrive on time and ready for class in full dance attire, with hair secured. Good attendance is extremely important for dancers to continue to progress and learn. Class warm ups, technique, progressions and choreography are all essential to a dancer's growth. However, if you are sick, please do not come to class to watch. We would prefer you stay home and feel better quickly as well as prevent other students from becoming ill.
